

Approvals under Electronics Component Manufacturing Scheme (ECMS)

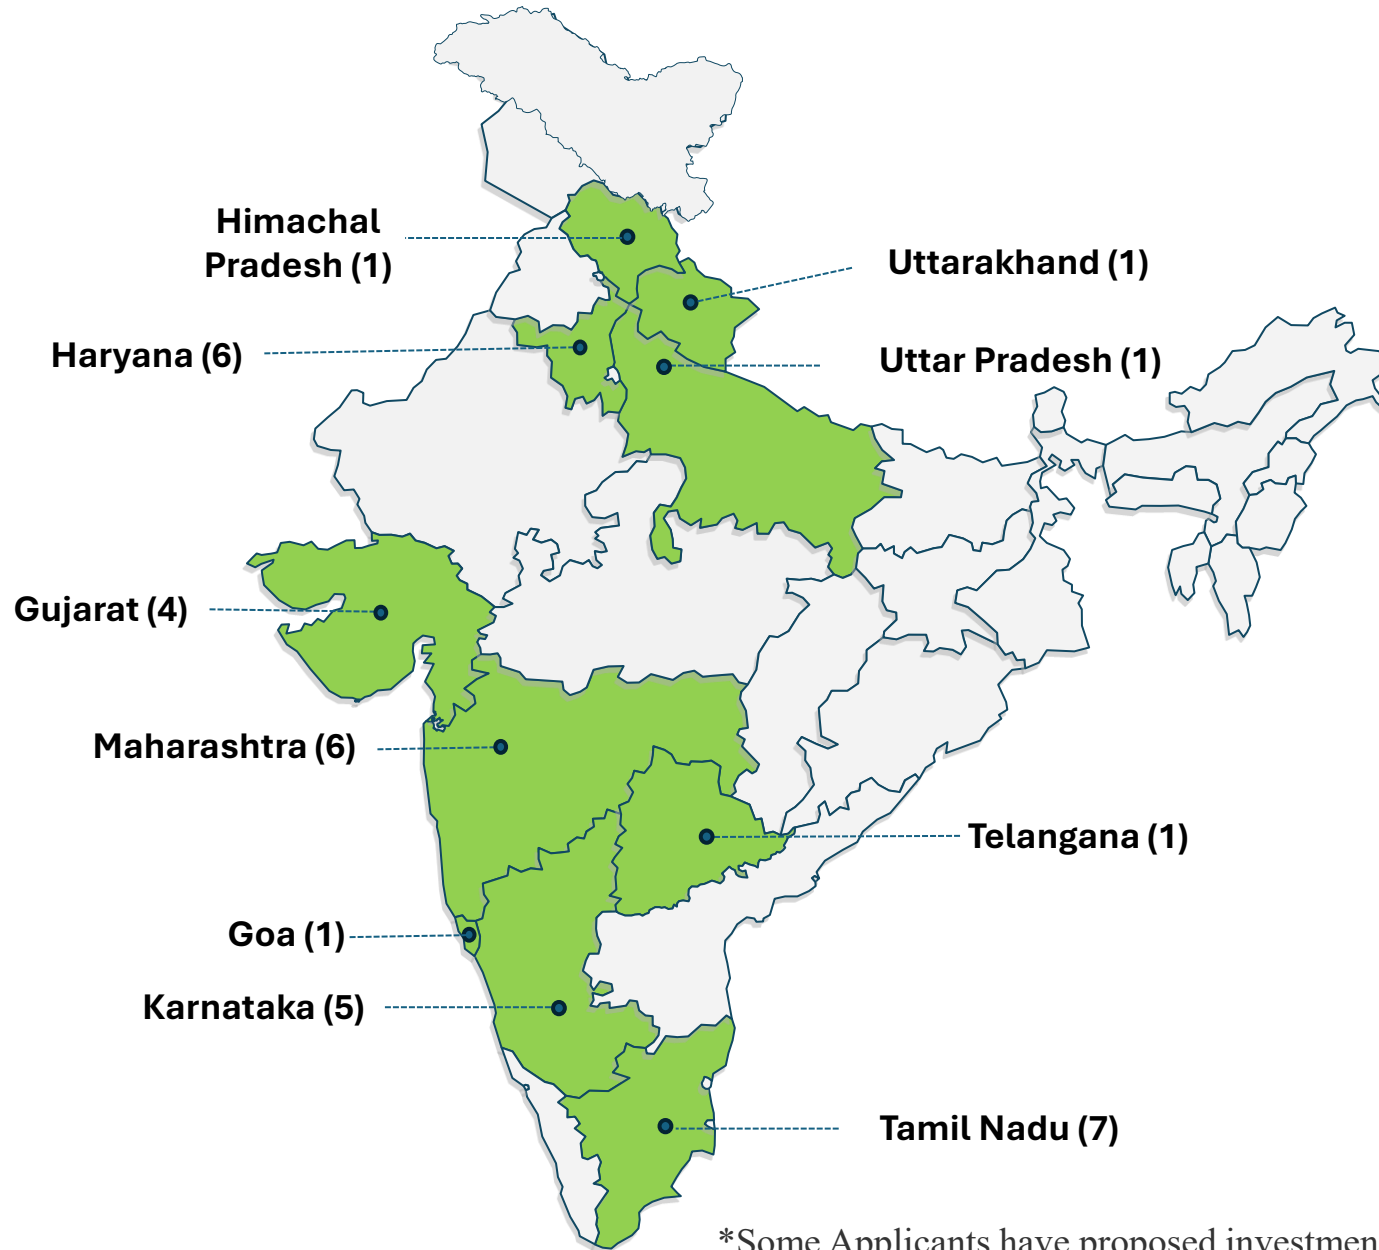

17.08.2026

S.No.	Target Segment Product		No. of Applications	Investment (Rs Crores)
1	Capital Goods		5	1,451
2	Camera Module		1	740
3	Display Module		2	717
4	Anode Material		1	582
5	Enclosures		1	565
6	Connectors		3	493
7	Transducers		2	404
8	Rare Earth Permanent Magnets		1	400

S.No.	Target Segment Product		No. of Applications	Investment (Rs Crores)
9	Acetylene Black		1	329
10	Optical Transceiver - SFP		3	255
11	Speakers & Microphones		1	150
12	Relays		2	130
13	Hermetic Terminals		1	120
14	Electrolyte Additives		1	119
15	Antenna		1	118

S.No.	Target Segment Product		No. of Applications	Investment (Rs Crores)
16	Metallized films for Capacitors		1	60
17	Coils		1	60
18	Filters		1	52
19	Capacitors		1	50
20	Metal Shielding Covers		1	50
	Total		31	6,844
Moreover, the investment for manufacturing of laminate by an already approved applicant (Wipro Global) has been increased by				1,033
	Grand Total			7,877

Geographical spread of applicants

10 States

**31 applications
approved**

*Some Applicants have proposed investments in multiple locations/states

Investment

Rs 7,877 Cr.

Production

Rs 82,243 Cr.

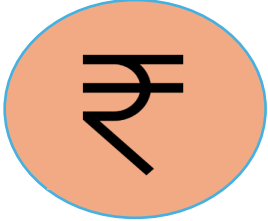

Employment

9,588 (pers.)

- Includes large variety of products showcasing broadening of electronics ecosystem - Approval for 20+ products
- Deepening the value chain by approvals to raw materials as well - Acetylene black, electrolyte additives and hermetic sealing

106 Applications | 30 Products | 15 States

Parameters	Target under ECMS	Approved till date
 Investment	Rs 59,350 Cr.	Rs 69,548 Cr.
 Production	Rs 4,56,500 Cr.	Rs 5,34,101 Cr.
 Employment	91,600 (pers.)	74,628 (pers.)

ATL (Li-ion Cells), Rewari & Sohna - Operational

Tata Electronics (Enclosure), Hosur - Operational

Kaynes Circuits (PCB), Chennai: likely to be operational in 01 month

Dixon (Display & Camera Modules), Noida: Camera Module Operational & Display likely to be operational in 04 months

Motherson (Enclosure), Kanchipuram: likely to be operational in 2-3 months

Wipro (Laminate), Bengaluru: likely to be operational in 2-3 months

Yuzhan Technology (Enclosures), Kanchipuram: likely to be operational in 06 months

Secure Circuits (PCB), Sehore: likely to be operational in 06 months

Thank You!
